

Urinal flush controls with electronic flush actuation, mains operation, Basic

2013 -

Brand Geberit

Type Basic

Characteristics

Year of manufacture from	2013
Dimensions / Design	Cover plate: 16 x 16 cm

Valid for articles

115.802.11.5	115.802.46.5	115.804.46.5	115.817.11.5
115.817.46.5	115.818.11.5	115.818.46.5	

Related spare parts

- Renovation sets for urinal flush control, actuator plate 16 x 16 cm, for installation element or installation set with flush

#	Art. no.	Description	Remarks
1	240.560.11.1	Geberit cover plate made of die-cast zinc: white alpine, Material designation=Die-cast zinc	Die-cast zinc
1	240.560.46.1	Geberit cover plate made of die-cast zinc: matt chrome-plated, Material designation=Die-cast zinc	Die-cast zinc
1.2	240.525.00.1	Geberit IR window for urinal flush control with electronic flush actuation, cover plate made of die-cast zinc	
2	240.966.11.1	Geberit cover plate made of plastic: white alpine	Plastic
2	240.966.46.1	Geberit cover plate made of plastic: matt chrome-plated	Plastic
2.1	240.565.00.1	Geberit quick-lock bolt for cover plate, for urinal flush control	
3	240.521.00.1	Geberit mounting frame for urinal flush control Basic	
4	242.775.00.1	Geberit sensor electronics with adapter	
5	241.945.00.1	Geberit battery compartment for urinal flush control and washbasin taps with electronic flush actuation	
6	242.774.00.1	Geberit power supply unit with adapter	
7	242.789.00.1	Geberit throttle	
7.1	241.933.00.1	Geberit regulating screw	
8	242.770.00.1	Geberit solenoid valve	
8.1	241.932.00.1	Geberit basket filter	
8.2	243.327.00.1	Geberit flow regulator	
9	242.772.00.1	Geberit section seal	

#	Art. no.	Description	Remarks
10	243.579.00.1	Geberit flow regulator 9 l/min, for urinal flush controls	
11	242.771.00.1	Geberit flow limiter	
12	240.522.00.1	Geberit electronic insulation protection for installation set, for urinal flush control Basic
